

pdf-it 4.0 (released 5/11/2009)

- **pdf-it Creation Wizard**

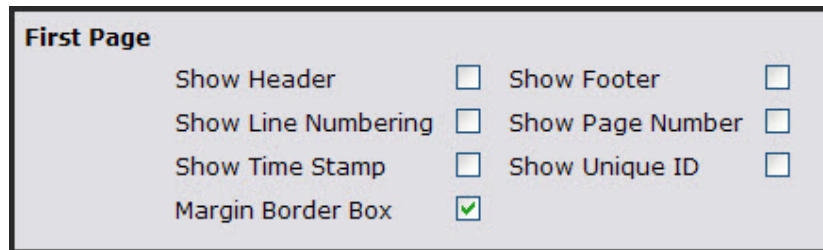

- Improved speed by almost 50%

- **Transcript Formatting**

- More flexibility for Condensed full-sized pages

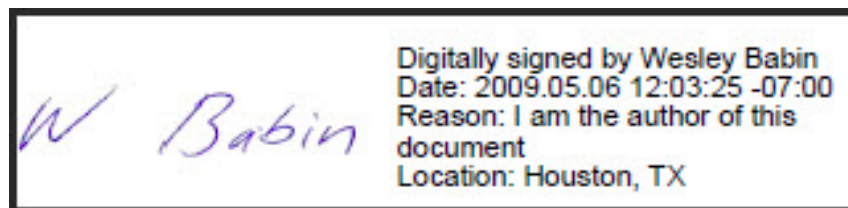

- Get the look you want with more control in the first page of the Full-Sized transcript

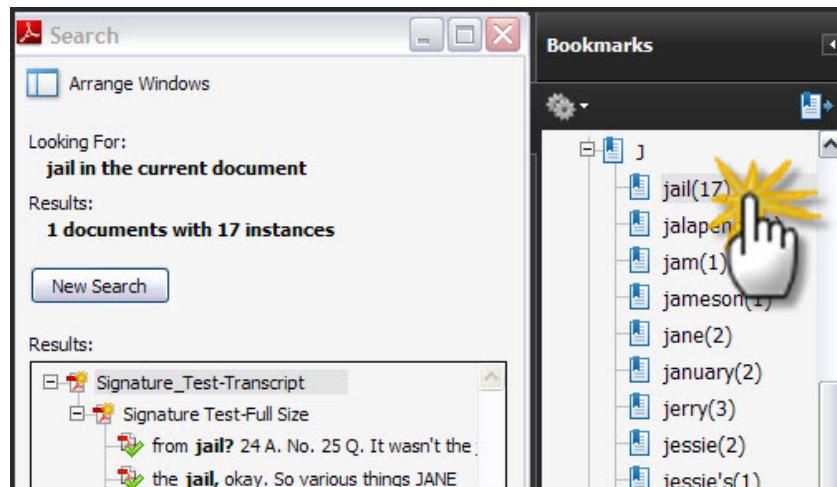

- **Digital Signature**

- New digital signature information block

- **Bookmarks**

- Integrated with Adobe's search feature where finding words become as easy as a click of a mouse

- **EXHIBITS - The wait is finally over!**

- Upload exhibits and email a download link to attorneys/paralegals, reporters, scopists, etc.

60-Day Document History

Please enter the following information:

Reporter:*	Morgan Babin

- **No Additional Software Needed**

- Adobe Acrobat no longer needed to create a pdf-it portfolio (bundled transcript and exhibits)
- With exhibit(s) already uploaded, search to find the matching transcript
- Select the two files, click the portfolio button and you are done
- Do as you please with the newly created file (i.e save, email, burn to CD, etc.)
