

## pdf-it 4.2 (released 9/1/2009)

- **Signature**
  - Added second signature for the further certification
  - Signature image is placed and sized automatically on the page/line designated
- **pdf-it Creation Wizard**
  - Now only **three** quick, easy steps
- **ASCII Editor**
  - Allows for easy, online editing of the ASCII – only available for level 3 signature access reporters. Any/all changes made to the original ASCII are documented and the reporter is automatically notified via email of the details i.e page 1, line 7 : 269<sup>th</sup> JUDICIAL DISTRICT changed to 296<sup>th</sup> JUDICIAL DISTRICT.
