

pdf-it 4.6 (released 11/19/2010)

- **eLINK Enhancements**

- eLINK now has its own 60-day history screen. With a built-in search feature, finding and resending an eLINK couldn't be easier. pdf-it's eLINK continues to expand its list of compatible mobile devices including the HTC with Windows Mobile Edition.

60-Day History

Documents		eLINK		DOD

- **Automated billing through PayPal**

- We now offer two flexible monthly billing options: "30-day pass" and "Month-to-Month". The 30-day pass enables users to purchase thirty days of service with no further commitments. The Month-to-Month option may be a better fit for busy reporters and firms. This billing plan will automatically bill the credit/debit card at the first of each month via PayPal, and can be cancelled ANYTIME. Of course, our per pdf-it and yearly options remain available.

PDF-it Plan	\$ Amount *
<input type="radio"/> None	
<input type="radio"/> 30-Day Pass	\$45.00
<input type="radio"/> Month-to-Month **	\$30.00
<input type="radio"/> Per PDF-it	\$10.00
<input type="radio"/> Yearly Paid-in-Full	\$300.00

* Additional PayPal processing fees and sales tax may apply.
** Automatic, recurring payment. Cancel anytime.

Billing State

- Pdf-it Enhancements

- In addition to a Global Cover Sheet we now offer a profile based cover sheet. Our users can create and upload custom cover sheets on a profile bases. This is great for production departments that need to reflect different business units.

Bookmark to: Watermark Draft:

Paper Size: Final:

Attach Amicus File (recommended) Attach Original ASCII (recommended)

Profile Cover Sheet (in PDF format):

This profile does not have a custom transcript cover sheet.

- Improved 60-Day History/Document screen by adding columns Witness Name and Proceeding Date.

60-Day History

Documents | eLINK | DOD

	Witness Name	Proceeding Date	pdf-it File	File Type	Turn-in Form
<input type="checkbox"/>	Eric Evans	11/01/2010	Eric Evans-Exhibit(s).pdf	Transcript-Draft	
<input type="checkbox"/>	Joe Blow	11/01/2010	demo.txt	Transcript-Draft	

- More flexibility with email methods with the addition of “None” for eLINK and DOD. This allows users the ability to copy/paste link into self composed emails.

Attorney Name:* Warning: You must send **separate** DODs to each attorney

Contact Email(s):* Note: Separate multiple emails i.e. paralegal, co-counsel, etc. with a semicolon ";"
